No.1.	January.....	Page	01-60
No.2.	April.....	Page	61-124
No.3.	July.....	Page	125-190
No.4	October.....	Page	191-241

Subject Index 32

Adnexa

- Anterior Chamber Depth Changes after Uneventful Phacoemulsification 32: 30-5.
- Comparison between Early and Late Nasolacrimal Stents for Congenital Nasolacrimal Obstruction 132: 165-8.
- Comparison of Secondary Anterior and Posterior Intraocular Lens Implantation for Aphakia 132: 165-8.
- External Dacryocystorhinostomy under Local Anesthesia 32: 36-40.
- First Crack Guided Conservative Posterior Capsulotomy Using Neodymium: YAG Laser 32: 159-64.
- Fixed Dose Botulinum toxin therapy for Blepharospasm 32: 91-4.
- Is Silicon Intubation Needed in Dacryocystorhinostomy? 32: 231-4.
- Outcome of External Dacryocystorhinostomy with Adjunctive Mitomycin C in Tertiary Care Hospital 32: 95-9.
- Visual Outcome of Traumatic Cataract at Holy Family Hospital, Rawalpindi 32: 25-9.
- Visual Outcomes of Immediate Versus Delayed Vitrectomy for Dropped Nucleus during Phacoemulsification 32: 105-10.

Cataract

- Stress and a Phacosurgeon: An Unavoidable Association 32: 221-5.

Choroid

- Posterior Uveal Effusion Syndrome Following Ectopia Lentis Surgery in a Case with Marfan's Syndrome 32: 117-20.

Community

- Color Vision Deficiency in Pakistan Railways Employees" 32: 226-30.

- Community Perception and Service Utilization of Diabetic Retinopathy Management Project in Gaddap Town 32: 70-7.
- Orbitofacial Anthropometry in a Pakistani Population 32: 41-7.
- Prevalence of Computer Vision Syndrome and Its Associated Risk Factors among Under Graduate Medical Students 32: 140-7.

Conjunctiva

- A Long Term Follow up after Limbal Conjunctival Autograft for Recurrent Pterygium 32: 16-8.

Cornea

- Effect of Contact Lens Wear on Cornea 32: 216-20.
- Etiology of Infectious Keratitis as Seen at a Tertiary Care Center in Larkana, Pakistan 32: 48-52.
- Frequency of Pterygium Recurrence with Limbal Stem Cell Autograft 32: 210-5.
- Short Communication Bilateral Moorens Ulcer 32: 182-5.
- Topographic Interpretation of Posterior Keratoconus 32: 186-9.

Conjunctiva

- Conjunctivoblepharon; A Variant of Anklyoblephron 32: 53-5.

Editorial

- Anti-VEGF Therapy: Proactive or Reactive? 32: 1-3.
- Femtosecond Laser versus Manual Technique in Ophthalmic Surgery 32: 125-7.
- Integrated Ophthalmic Trauma Units: Adopting an Orphan Discipline in Ophthalmology 32: 191-
- Pediatric Cataract Surgery: Current Trends and Concepts 32: 61-3.

Glaucoma

- Effect of Provocative Test in Hypermetropic Eyes: A Comparative Study 32: 100-4.

- Efficacy and Complications of Modified Laser Iridotomy in Primary Angle Closure Glaucoma 32: 195-200.
- Relationship between Body Mass Index and Intraocular Pressure in Diabetic and Hypertensive Adults` 32: 4-8.

News and Events 32: 60, 124, 190, 240.

Paediatrics

- Role of Propranolol in the Management of Periocular Infantile Hemangioma 32: 78-83.

Peads

- Ectopia Lentis - Etiology and Management in Children 32: 147-51.
- Prevalence of Amblyopia Amongst children Presenting in a Tertiary Care Center in Karachi 32: 176-81.

Retina

- Awareness of Retinopathy of Prematurity (ROP) amongst Pediatricians in Pakistan 32: 19-24.
- Comparison of Image Quality between Swept Source and Spectral Domain OCT in Media Opacification 32: 128-3.
- Explaining "Unexplained Visual Loss" with Optical Coherence Tomography 32: 9-15.
- Frequency and Grading of Diabetic Retinopathy in Diabetic End Stage Renal Disease Patients 32: 64-70.
- Radiation Retinopathy/Maculopathy: A Case Report 32: 121-3.
- Retinal Disorders in a Tertiary Eye Centre in Nigeria 32: 152-8. Surgical Management of Optic Disc Pit Maculopathy 134.
- Serum versus Vitreous VEGF A and Central Macular Thickness in Diabetic Macular Edema and the Effect of Intra-Vitreous Bevacizumab on These Variables 32: 78-83.
- Should vitreo-retinal diseases be treated by retina specialists only? 32: 201-4.

Syndrome

- Jalili Syndrome 32: 56-9.

Trauma

- Clinical and Demographic Characteristics of Intraocular Foreign Body Injury in A Referral Center: 3 Years Experience 32: 205-9.
- Ocular Manifestations Associated with Head Injury 32: 111-6.
